 MyWorkChoice

Flexibility is the Future

Today's workplace has shifted. More and more hourly workers are seeking a reliable full-time job that also offers flexibility within their schedule.

MyWorkChoice delivers the expertise, technology, and data-driven recruitment to manage flexibility. We help you build a sustainable, long-term solution to absenteeism, excessive overtime, and attrition.

How Your Organization Benefits from Flexibility

With MyWorkChoice's in-depth workforce data analysis, automated technology, and fully-managed recruitment, we can successfully manage flexibility in your hourly workforce.

We help your business:

Solve for Absenteeism

Reduce Overtime and Training Costs

Become Self-Sufficient without Staffing Agencies

Recruit a New Generation of Worker

The company that can offer flexibility, manage it, and make it successful is the company that's going to win in today's market."

- Todd Warner, MyWorkChoice President

Flexibility at Your Facility

Flexibility doesn't mean operational chaos. Allowing your hourly workers more control over their schedule reduces employee churn while also attracting a new generation of workers who value flexibility in their schedule.

For Supervisors

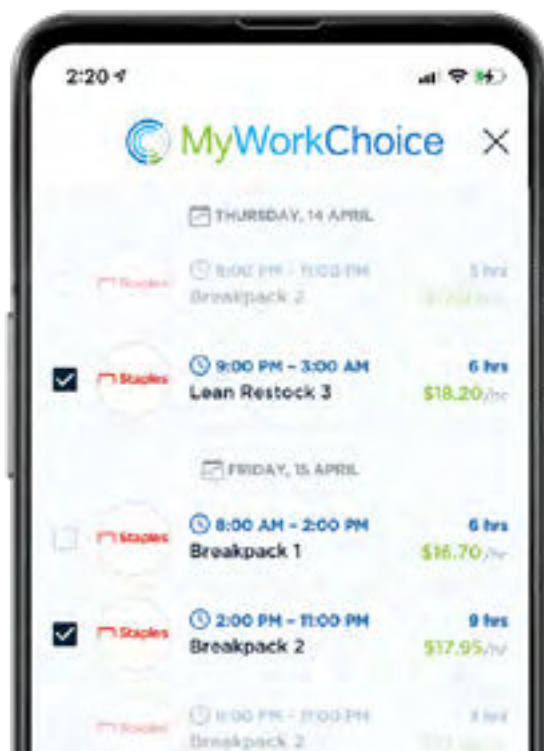

Know who's working and who isn't. Live dashboards show you when someone has called off, swapped a shift, or been backfilled.

- 24/7 attendance data
- Automated Backfill System
- Reports on absenteeism trends
- Identify labor gaps and coaching opportunities
